

## Declaration of Conformity

Product Name: Integra StrongBox Line Enclosures

Integra StrongBox enclosures are UL registered products and are rated to meet or exceed NEMA ratings 1, 2, 3, 3R, 4 and 4X per UL listing E162786. They are constructed in accordance with Standard for Industrial Control Panels, UL 508A, 2<sup>nd</sup> Edition, Standard for Enclosures for Electrical Equipment, UL 50E, 2<sup>nd</sup> Edition, and Industrial Control Equipment, CSA C22.2 No. 14-13, 12<sup>th</sup> Edition.

Integra StrongBox enclosures with standard options and accessories meet the European Council Directive 2015/863/ EU (RoHS 3) amendment of 2011/65/EU (RoHS 2) including Annex II; recasting 2002/95/EC (RoHS 1), on the Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment (RoHS).

Integra StrongBox enclosures with standard options and accessories meet the European Chemicals Agency (ECHA) Regarding Regulation (EC) No. 1907/2006 concerning Registration, Evaluation, Authorization and Restriction of Chemicals (REACH 223 thru 1-17-2022).

The above REACH and RoHS statements are provided by Integra on a “best effort” basis using information available from our suppliers, published data and documentation from the European Chemical Agency. No attempt has been made to verify this information by third party analysis.
