

Declaration of Conformity

Manufacturer: MUM Industries Inc.

Products Covered: Integra Stainless Steel, Steel, and Aluminum Enclosures

Underwriters Laboratories cUL Listing:

Integra metallic enclosures are UL Listed for use in the United States and Canada meeting Type ratings; 1, 2, 3, 3R, 3SX, 4, & 4X with construction in accordance with the Standard for Industrial Control Panels, UL 508A, 2nd Edition, Standard for Enclosures for Electrical Equipment, UL 50E, 2nd Edition and Industrial Control Equipment, CSA C22.2 No.14-13, 12th Edition.

CE Compliance:

Integra metallic enclosures meet the Low Voltage Directives (73/23/EEC, 2006/95/EC & 2014/35/EU) Boxes and enclosures for electrical accessories for household and similar fixed electrical installations – Part 1: General requirements, EN 60670-1:2005. Degrees of protection provided by enclosures (IP Code): IEC/EN 60529.

RoHS Compliance:

Integra metallic enclosures with standard options and accessories are RoHS compliant as defined by the European Council Directive 2015/863/EU (RoHS 3), amendment of 2011/65/EU (RoHS 2) including Annex II; recasting 2002/95/EC (RoHS 1), on the Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment (RoHS).

REACH Compliance:

Integra metallic enclosures with standard options and accessories are REACH compliant as defined the European Chemicals Agency (ECHA) Regarding Regulation (EC) No. 1907/2006 concerning Registration, Evaluation, Authorization, and Restriction of Chemicals (REACH 247 through 1-21-2025)

TSCA Compliance:

Integra metallic enclosures with standard options and accessories do not contain any of the restricted substances identified by the US EPA under the Toxic Substances Control Act including the five restricted PBT chemicals under section 6(h) that became effective on February 5th, 2021.

BABAA compliance:

Integra metallic enclosures are designed and manufactured in the United States at our facilities located in Mentor, Ohio and Dallas, Texas. As manufactured goods, these products meet the requirements of the Build America, Buy America Act as detailed in 23 CFR § 635.410 and the American Reinvestment and Recovery Act of 2009 as detailed in 2 CFR § 176.140.

The above compliance statements are provided on a “best effort” basis using a combination of information available from suppliers, published sources, and documents from the European Chemical Agency and Code of Federal Regulations. No attempt has been made to verify this information by third party analysis.
